For verification, a phone number is provided for verbal confirmation instead^[26].
- **Type 03 FFL holders are not dealers;** they are collectors. The license is specifically for collecting qualifying firearms, not for engaging in commercial sales. Because of this, Type 03 FFLs are not included in the same public-facing databases or verification systems as dealer or manufacturer FFLs^{[27][26]}.
- **Background checks for firearm transfers:** When a Type 03 FFL holder purchases a curio or relic firearm from another FFL, the transfer is treated as an FFL-to-FFL transfer, which is exempt from the National Instant Criminal Background Check System (NICS) check.
